ForthRight THE women. cohort

The ForthRight Women Cohort is a community of women who are **unapologetically ambitious** in their aspirations to have an **equally fulfilling life and career**. Where traditional convention says “you must choose”, we don’t believe that. So, we come together to share inspiration, tools, resources and expertise that help us to **live the life we desire, on our terms, in pursuit of our own vision.**

Monthly “Power Hour” Virtual Sessions

Held on the 3rd Tuesday of the month. It will feature a speaker who is an expert on a professional or personal topic hyper-relevant for our community. It is followed by a “real talk” round table Q&A.
